

heat's Content Creator Award

YOU CAN STILL NOMINATE YOUR FAVOURITE CONTENT CREATOR, HERE ARE SOME OF OUR PICKS SO FAR...

NIKOLA McMURTRIE
Nikola In The Pond (YouTube)

Nik's Olga shows us some of her favourite ballet moves, which include, "You've lost your mum in the big Tesco, and now have to live in the bread aisle".

CLARISSA MAYCOCK
Glitzy Ghost Hunter (YouTube)

Clarissa's character gives you a guide to everything paranormal and beauty-related, of course, including make-up tutorials on how to get Bruce Willis' look from *The Sixth Sense*.

LUCIA KESKIN
Chi with a C (YouTube)

Lucia took all our favourite sitcoms and recreated them as if they'd been set during the pandemic. Oh, and she took on every role herself. *Gavin & Stacey* is our fave.

STOKES & SUMMERS
@stokesandsummers (TikTok)

Duo with the unique skill of summing up all our favourite films in 60 seconds. They manage to include all the best quotes, and be hilarious while they're doing it.

Lucinda:

DAVINA BENTLEY
@davinabentleycomedy (Instagram)

Davina's niche impressions are her forte, including her posh and patronising Notting Hill fishmonger, and her take on *Love Island*'s "sexy baby" Lucinda.

LOUISE TAYLOR
Lou Taylor Trash (YouTube)

Louise Taylor takes us right back to our school days in the '90s. From fighting over who gets to be Baby Spice, to testing out if you really like butter with a buttercup.

AMBER DOIG-THORNE
@amberdoigthorne (TikTok)

Her TikTok sketches include her attempting to take on the terror of the Aldi checkout, as well as trying to prove she can speak Spanish with the well-known phrase, "Shakira Shakira".

CHARLOTTE CROPPER
Curio Comedy (YouTube)

Ever the proactive student, Charlotte gathered together a showcase of Salford University's weird and wonderful comics and popped them inside her Cabinet of Curiosities.

Head to heatworld.com/funnywomen to nominate your favourite creator. The final of the Funny Women Awards is on the 23 September 2021 at the Bloomsbury Theatre London - details at Funnywomen.com
